☆ **Campference 2021** 4-H Campference is for youth ages 12- 14 (before January 1, 2021), and will be held June 27-30 at Rock Springs 4-H Center. Participants will experience the feel of a conference, while enjoying the ‘camp’ activities Rock Springs 4-H Center has to offer. This is a great transitional opportunity, as tweens go from being a camper to attending educational conferences. 4-H Campference will feature workshops about opportunities in the 4-H program and how to better communicate with others. We encourage delegates to register early as the space will fill on a first come basis and Campference was full the last five in person years. Register online by May 5 (or earlier, it will close when it is full).
Discovery Days Kansas 4-H Discovery Days will be delivered virtually in 2021. The event will be held on June 1-4th, 2021. The decision to again use the virtual format was not taken lightly as the preferred format for the event would definitely be in-person.

If you are a new family to 4-H, please go to: https://www.edwards.k-state.edu/4-h/ or feel free to contact your community club leaders or the Extension Office staff.

Remember, we will have a closed Edwards County 4-H page on Facebook for only 4-H members. Families will be invited to join this page. We will post newsletters, and information about upcoming events on this page. If you have not been added, please contact the Extension Office.
