***ATTENTION! Please Read Closely***
The following rules apply to ALL 4-H Project Entries!

4-H General Regulations

1. The right to interpret rules in the best interest of 4-H work is reserved for the Extension Executive Board, whose decision shall be final.

2. Classes will be divided into three age groups. 4-H age will be determined by the age of the 4-H'er on January 1 of the current year. The age groups shall be: Jr. – 4-H members 7-9 years of age; Intermediate – 4-H members 10-13 years of age; Senior – 4-H members 14-18 years of age.

3. All exhibits must be the handiwork of the exhibitor and the results of the current club year’s work unless otherwise stated within the specific project.

4. 4-H members may display exhibits only in classes pertaining to the projects and phases of those projects in which they are currently enrolled.

5. All classes are limited to one entry per class unless the Division rules state otherwise.

6. A separate entry tag must be attached to each exhibit upon entry, other than livestock. No premiums will be paid without an entry tag. Entry tags are available from your 4-H community club leader or at the Extension Office.

7. All exhibits must be in place according to the Edwards County Fair schedule. Exhibits not entered and in place according to the schedule will not be ribbon rated or paid premium money.

8. All 4-H exhibits will be judged consultatively with 4-H members present. Parental assistance during this process is not allowed.

9. Placing possibilities in each class are: Purple, Blue, Red, and White based on quality of work and the decision of the judge. Only ONE Grand Champion and ONE Reserve Grand Champion will be awarded per Division at the discretion of the judge if quality merits, unless stated otherwise.

10. Animals, articles, or products not listed in the premium book will be ineligible to compete for prizes.

11. Superintendents will have full charge of their division. Superintendents will enforce rules of the Division. Failure to follow the rules and regulations could result in disqualifications. Any complaints should be taken to the superintendents. The Edwards County Fair Board and Extension Agents will take final action on complaints. Remember: when exhibiting, you are asking for the judge’s opinion. The judge has the final decision. Anyone (parent, grandparent, sibling, etc.) who verbally harasses the judge will cause the 4-H'er to lose all premiums and awards prior to this act. The 4-H’er will be disqualified from the remaining show. There will be no exception to this rule.

12. All exhibits will be released by respective superintendents according to the Fair schedule.

13. Exhibits that qualify for entry at the Kansas State Fair will be designated by a purple ribbon placing. EXCEPTION: Visual Arts, Fine Arts, Beef, Goats, Swine, Sheep and Horses. Those guidelines are set by the State 4-H Office.

14. 4-H'ers must be 9 – 18 years of age by Jan 1st of the current year to be eligible to participate at the Kansas State Fair.

15. No special prizes will be solicited or awarded in any division unless authorized by the Edwards County Fair Board.

16. Any unnecessary horseplay on the Fairgrounds will result in the forfeiture of all premium money.

17. All exhibits will be under the care and control of the Edwards County Fair Association. While due care and caution will be exercised for their safekeeping, neither the Association, its officers, directors, agents or employees will be responsible for loss, theft, or damage of personal property on the Fairgrounds.

18. The Edwards County Fair Board reserves the right to remove from the fairgrounds any exhibit, animal, concession, or show that may be falsely entered, or which in any manner may be deemed objectionable, or if in the opinion of the superintendent, the animal is not receiving proper care.

19. No live ammunition will be allowed to be displayed.

20. The Edwards County Fair Board reserves the sole and absolute right to construct its own rules and regulations and to determine arbitrarily all matters or deference, in regard thereto.

21. Grievance Policy: All grievances must be in writing and accompanied with a $50 filing fee. The Edwards County Fair Board will act upon a written grievance within 48 hours of filing.
22. The Edwards County Extension Council staff will make every effort to transport the qualified exhibits to the Kansas State Fair. However, due to lack of space, those desiring to exhibit bulky items may need to transport their own exhibits.

23. Premium money will be held until all 4-H family bills are paid (i.e., concession stand, registration fees, etc.) are paid to either Edwards County 4-H Council or the Edwards County Fair Association.

**THANK YOU TO TYREE AG for sponsoring the Fair t-shirts for the 4-H’ers!**

**Edwards County Fair 4-H Premium System**

Premium money will be paid on the basis of the total points earned by the 4-H member/exhibitor.

- Grand Champion: 30 points
- Reserve Grand Champion: 20 points
- Purple: 10 points
- Blue: 5 points
- Red: 3 points
- White: 1 point

The 4-H Shooting Sports division will not receive points or premium money to preserve the 4-H’ers amateur status.

Premium money will be held until all 4-H family bills are paid (i.e., concession stand, registration fees, etc.) are paid to either Edwards County 4-H Council or the Edwards County Fair Association.

Total points earned on all 4-H exhibits added together will be divided into the total amount of premium money donated for the year to be paid as determined by the Edwards County Fair Board. The resulting answer will determine the amount to be paid per point earned.

**EXAMPLE:** Assume 1 point = $.20. 4-H exhibitor received: 2 Blue awards - 2x5=10 points, 1 Red award – 1x3=3 points, and 1 White award – 1x1= 1 point. Total premium points 14 points x $.20 = $2.80.

**Guidelines for Donated Awards**

1. The Fair Board will allow individuals to donate non-monetary items (such as a belt buckle, chair, platter, etc.) to non-premium divisions/events that are showmanship by nature with the approval of the Board.
2. The donation must be approved by the Fair Board by June 1st of the current year.
3. The donation must be presented by the donor or someone designated by the donor.
4. The donation must be presented at the conclusion of the event.
5. Individuals or entities wanting to increase the amount of premium an individual 4-H’er receives from the Premium Auction can do so in one of three ways. They can (1) directly gift to the 4-H’er; (2) donate to the Edwards County Fair Association; or (3) donate to the 4-H Premium Fund. Donations made to the Edwards County Fair Association, become the property of the Fair Association Board of Directors. Individuals or entity presentative may request how the donation will be distributed; however, while the Board of Directors will take those wishes into consideration, the Board of Directors reserves the right to distribute those funds in the manner they consider most equitable.
